

## **Discussion**

### *STUDENT A*

**Have you ever given a presentation? When?**

**What piece of advice would you give public speakers?**

**What was the worst / most boring lecture you ever attended? Why?**

**Should the audience ask questions during the presentation?**

**What do you think is the most famous speech from history?**

**Do you think it is important how you dress for a presentation?**

**What “nervous habit” do you have when presenting?**

### *STUDENT B*

**Have you ever given a public speech? When?**

**What should a public speaker NEVER do when speaking?**

**What was the best / most interesting lecture you ever attended? Why?**

**Should the speaker ask the audience questions during the presentation?**

**Who is the best / most famous speaker you know (from history or Korea)?**

**Do you think it is important to use cue cards when speaking?**

**What quality helps you be a good presenter / public speaker?**
