

# Transcript: A Pep Talk From Kid President to You

KID PRESIDENT>>> I think we all need a pep talk.

[slow electric guitar riff music] KID PRESIDENT>>>The world needs to stop being boring. Yeah, you!

Boring is easy, everybody can be boring. But you're gooder than that.

Life is not a game people. Life isn't a cereal either. Well, it is a cereal.

And if life is a game, aren't we all on the same team?

I mean really, right? I'm on your team, be on my team.

This is life people, you've got air coming through your nose!

You've got a heartbeat! That means it's time to do somethin'!

A poem. "Two roads diverged in the woods...

and I took the road less traveled... AND IT HURT MAN!

Really bad. Rocks!

Thorns! Glass!

My pants broke! NOT COOL ROBERT FROST!

But what if there really were two paths? I want to be on the one that leads to awesome. It's like that dude Journey said, don't stop believing, unless your dream is stupid. Then you should get a better dream. I think that's how it goes.

Get a better dream, then keep goin', and goin', and keep goin'.

What if Michael Jordan had quit? Well, he did quit. But he retired, yeah that's it, he retired. But before that? In high school? What if he quit when he didn't make the team? He would have never made *Space Jam*. And I love *Space Jam*.

What will be your *Space Jam*? What will you create when you make the world awesome? Nothing if you keep sittin' there! This is why I'm talking to you today!

This is your time. This is my time.

This is our time. We can make everyday better for each other.

If we're all on the same team, let's start acting like it. We've got work to do.

We can cry about it, or we can dance about it.

You were made to be awesome. Let's get out there!

I don't know everything, I'm just a kid, but I do know this:

It's everybodys duty to do good, and give the world a reason to dance.

So get to it.

[driving music]

You've just been pep talked. Create something that will make the world awesome.

[electric guitar riff]

Play ball!

[movie reel sound] [crashing noise]

Oh hi everybody! We're all workin' hard to make this an awesome year for other people, and you guys are doin' it!

You've been super encouraging to me, so I want to return the favor.

Who do you know that needs some encouragement? Pass this pep talk along, and get the whole world to dance. I dedicate this video today to my friend Gabbi.

She's a cool kid, she likes pancakes, and she's fighting cancer. Like a BOSS.

And to all you watching, who encourages you? Send them this video, and let them know.

So get to it!

[music burst]

Bye!
