

Everybody dance now!

A mulatto. An albino. A mosquito. My libido. Yeah.

She's slippy You're sliding down
She'll be there when you hit the ground

You have so many relationships in this life
Only one or two will last

My whole existence is flawed

I need some love like I've never needed love before
(wanna make love to ya baby)
I had a little love, now I'm back for more
(wanna make love to ya baby)

She's running out the door

Clear blue and unconditional skies
Have dried the tears from my eyes. No more lonely cries

The reason I breathe is you. Boy you got me blinded

Hey you, are you trying to be mean?
If you live with apes man, it's hard to be clean

Jeremy spoke in class today

Stop! Hammer time!

And she only sleeps when it's raining
And she screams and her voice is strained

Everybody run bobby's got a gun
Think you're kinda neat then she tells me I'm a creep

Motown Philly back again

Ain't got no future or family tree
But I know what a prince and lover ought to be

It's like you're always stuck in second gear

I believe in the sand beneath my toes
The beach gives a feeling, an earthy feeling
I believe in the faith that grows
And the four right chords can make me cry

Dreams of war, dreams of liars. Dreams of dragon's fire
And of things that will bite

Everywhere I go, people stop and they say
25 years old, my mother, god rest her soul

Tell me why, ain't nothing but a heartache.
Tell me why, ain't nothing but a mistake.
I never want to hear you say – I want it that way.

Sorry, I'm not home right now
I'm walking into spiderwebs
So leave a message and I'll call you back

I wanna love you the best that, the best that I can
