

Ok it's alright with me – Eric Hutchinson

Ok it's alright with me  
some things are just meant to be  
it never comes \_\_\_\_\_  
and when it does  
i'm already gone  
i'm practically never still  
more likely to move  
until i end up alone at \_\_\_\_\_  
my life continues  
inching along

**CHORUS**

when Bernadette comes  
I get lost on her \_\_\_\_\_  
she's much too sweet and  
she's always gonna be  
when i return to  
her arms and her eyes  
it might not be the \_\_\_\_\_  
but it's alright with me

ok it's alright to me  
some people are scared to see  
what's happening \_\_\_\_\_  
but I would never  
from a fight  
heartbeat with a high demand  
often will go hand in hand  
but i'm sick of just starting \_\_\_\_\_  
i wanna spend the rest of my life.

**CHORUS**

it's alright with me  
it's alright with me  
it's alright with me  
it's alright with me  
it's alright with me  
it's alright with me  
okay its alright with me  
some things are just meant to be,  
it never comes easily  
and when it does i'm already gone.

Ok it's alright with me  
some things are just meant to be  
it never comes easily  
and when it does  
i'm already gone  
i'm practically never still  
more likely to move  
until i end up alone at will  
my life continues  
inching along

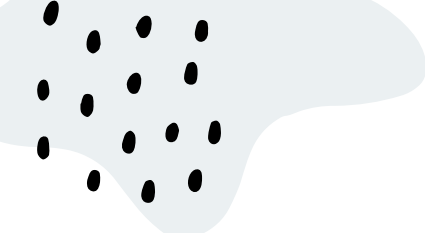

**CHORUS**

when Bernadette comes  
I get lost on her time  
she's much too sweet and  
she's always gonna be  
when i return to  
her arms and her eyes  
it might not be the same  
but it's alright with me

ok it's alright to me  
some people are scared to see  
what's happening frequently  
but I would never  
from a fight  
heartbeat with a high demand  
often will go hand in hand  
but i'm sick of just starting plans  
i wanna spend the rest of my life.

**CHORUS**

it's alright with me  
it's alright with me  
it's alright with me  
it's alright with me  
it's alright with me  
it's alright with me  
okay its alright with me  
some things are just meant to be,  
it never comes easily  
and when it does i'm already gone

# Alright With Me

What things are alright me you?

..... ***IS ALRIGHT WITH ME***
