1	<b>All you have to do is to look at a new born child and watch their eyes move around.</b>
	<b>We really had with the backpacks, what we needed to survive.</b>
	<b>I wasn't one of those absolute naturals but since childhood I'd seen pictures of the great explorers and I felt like that I'd like to plant the flag.</b>
	<b>We were pushing the limits pretty close.</b>
	<b>People will always have a desire to explore what they haven't seen.</b>
6	<b>We really had with the backpacks, what we needed to survive.</b>
	<b>Feelings are not something we have recorders for.</b>
	<b>It took 8 days altogether. Yeah, we barely made it but we did make it.</b>
	<b>We want to see, to explore. We as human beings need that.</b>
	<b>But human beings I find, are just not apt to back away from something that is a challenge.</b>
	<b>The 3 of us, we were very fiery people. The bug was on our back to perform.</b>
