

Big Bang Theory – Gossip Scene

Hey, how's it going?

- Not too bad. Did you hear about Howard and Bernadette?

Of course I heard about it. How'd you hear about it?

- I heard about it from Sheldon. He got it from Amy.

Damn it. I told Amy that in strictest confidence. Boy, some people are such blabbermouths. Oh Whatever. I'm sure Bernadette can do much better.

- Do you think essentially ambivalent Indian astrophysicist with selective mutism and alcohol issues is better than a hundred pound Jewish guy who lives with his mom?

You are kidding?! Raj likes Bernadette?

- I didn't say Raj. Who said Raj?

Okay, give. How do you know? Did he tell you?

- No.

Well then who?

- Look. I can't say

Priya told you. What a little gossip! Not an attractive quality to want in a letter. Not judging. just my opinion.

- Wow, the point is that if this got out, it would destroy Howard and Raj's friendship.

You don't have to worry. Unlike Amy and Priya I know how to keep a secret.

- You're the one who told Amy in the first place.

In confidence.

Oh hey, Amy. Bernadette just texted me. Howard proposed?

-Yes not important. Just stopped by to let you know I'm getting orthotics. Also I'm carrying Sheldon's baby. Mom's the word.

You're pregnant?

- Wow, is there anything on there about orthotics?
