Advanced Grammar

SLANG: WANNA, GONNA, GOTTA

In informal situations while speaking, and sometimes in informal writing like emails, we sometimes merge words together to form a new word.

WANNA

Want + to = Wanna.

I **wanna** go to the movies with you, but I'm broke.

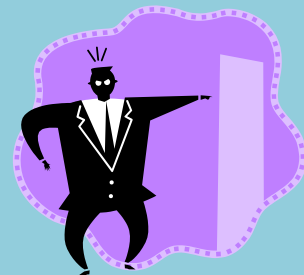

Does he **wanna** go with us?

GONNA

Going + to = Gonna.

You can't call me at work. You're **gonna** get me fired.

And then I'm **gonna** get mad at you.

GOTTA

Have got + to = Gotta.

I **gotta** get home before my mom finds out I went out!

You **gotta** drive faster, so we can get there in time.
