I Believe I Can Fly – R. Kelly

I used to think that I could not go on
And life was nothing but an awful _____
But now I know the meanin' of true love
I'm leanin' on the everlasting _____

If I can see it then I can do it
If I just believe it, there's nothing to it

Chorus

I believe I can fly
I believe I can touch the _____
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open _____
I believe I can fly, I believe I can fly
I believe I can fly

See I was on the verge of breakin' down
Sometimes silence can seem so loud
There are miracles in life I must _____
But first I know it starts inside of me oh

If I can see it then I can be it
If I just believe it, there's nothing to it

Chorus

Hey 'cuz I believe in me
If I can see it then I can do it
If I just believe it, there's nothing to it

Chorus

Hey if I just spread my wings
I can fly
I can fly
I can fly, hey
If I just spread my wings
I can fly
Fly eye, eye

I used to think that I could not go on
And life was nothing but an awful song
But now I know the meanin' of true love
I'm leanin' on the everlasting arms

If I can see it then I can do it
If I just believe it, there's nothing to it

Chorus

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly, I believe I can fly
I believe I can fly

See I was on the verge of breakin' down
Sometimes silence can seem so loud
There are miracles in life I must achieve
But first I know it starts inside of me oh

If I can see it then I can be it
If I just believe it, there's nothing to it

Chorus

Hey 'cuz I believe in me
If I can see it then I can do it
If I just believe it, there's nothing to it

Chorus

Hey if I just spread my wings
I can fly
I can fly
I can fly, hey
If I just spread my wings
I can fly
Fly eye, eye
