

We're Going to Be Friends

by The White Stripes

Fall is here, hear the yell

Back to school, ring the bell

Brand new shoes, walking blues

Climb the fence, books and pens

I can tell that we are gonna be friends

I can tell that we are gonna be friends

Walk with me, Susie Lee

Through the park and by the tree

We will rest upon the ground

And look at all the bugs we've found

Safely walk to school without a sound

Safely walk to school without a sound

Here we are, no one else

We walked to school all by ourselves

There's dirt on our uniforms

From chasing all the ants and worms

We clean up and now it's time to learn

We clean up and now it's time to learn

Numbers letters, learn to spell

Nouns and books and show and tell

Play time we will throw the ball

Back to class, through the hall

Teacher marks our height against the wall

Teacher marks our height against the wall

We don't notice any time pass

We don't notice anything

We sit side by side in every class

Teacher thinks that I sound funny

but she likes the way you sing

Tonight I'll dream while I'm in bed

When silly thoughts go through my head

About the bugs and alphabet

When I wake tomorrow I'll bet

That you and I will walk together again

I can tell that we are gonna be friends

Yes, I can tell that we are gonna be friends
