Hey, Roger. How are ya?

- Just relaxing in the Swiss Alps. Take a look!

Yeah, it's good. Good. Good for you. Listen, about this Switzerland film you want me to do.

- Yeah? Did you see the mood film I sent you?

I'm watching it as we speak. I don't like it.

- What?

Just look at where you are, Roger. I mean, you've got your mountains, your skiing resorts, your charming little towns... your green valleys. There's no drama, no drama at all!

- Seriously? But ... did you see the bit with the sunset?

Roger, I'm a certain type of actor, I need an edge, conflict, jeopardy. Switzerland is just too perfect!

-Yeah, I guess you're right.

That's exactly what I'm talking about you guys are too nice! You should have said, "xxx".

- OK, listen. How about the two of us on this special mission?

We ski down the slope ...

What? We're skiing down a slope together?

- We go even sky diving.

Come on!

- Then we land on these fields, and the cows are grazing.

Roger, I have to be honest with you, it's not happening.

- Ah!

Sorry, Roger. Maybe call Hanks.

- Who?
