FORGIVE YOURSELF

IT'S OK TO ...

You can breathe now darling.
As long as she doesn't see you leave
It's okay. Sneak out.

Even if it is still dark, don't look back.
It's okay to be in front, if you're on the right track.
it's okay to miss the first meal to catch your first wave.
And it's okay to ditch your friends on powder days.
It's okay
Drift away ... lose sleep over missed putts and shots
And if it helps then you can keep cursing too
And it's okay to swallow some water
When it's swallowing you.
It's okay to say
"Baby, I'm stuck in traffic from the 17th green."
Going up or coming down ...
It's okay to change speeds
Ok to be right. It's ok to be wrong
But you don't make the big mistake
Anything for anyone
Right now you're landing the flop
Put me in your left sock

It's ok. It's ok. It's ok.
If that's an obsession.

It's OK to...lose face.
