Saying I **love/hate** you
Is not the words I want to hear from **you/we**
It's not that **I/you** want you
Not to say, but if **you/he** only knew
How/What easy it would be to show me how you feel

More than **words/letters** is all you have to do to make it real
Then you wouldn't have to say that you **hate/love** me
'Cause I'd already know

What would you do if my heart was torn in **three/two**
More than **letters/words** to show you feel
That your love for me **is/are** real
What/Where would you say if I took those words away
Then you couldn't make things **new/old**
Just by saying **I/we** love you

More than **words/letters**
La di da, da di da, di dai dai da

Now I've tried to talk to you and make you **remember/understand**
All you have to do is close your **eyes/hands**
And just reach out your hands and **touch/feel** me
Hold me close don't ever let me **stay/go**
More than **words/phrases** is all I ever needed you to show
Then you wouldn't have to say that you **love/adore** me
'Cause I'd already **understand/know**

How/What would you do if my heart was torn in two
More than **letters/words** to show you feel
That your love for me is **real/imaginary**
What would you say if I took those **texts/words** away
Then **you/we** couldn't make things new
Just by saying I love **you/we**
