

SLOW DOWN

A SONG ABOUT LIFE.

Here's to you / You were pink or blue / And everything I wanted / Here's to you /
Never sleeping through / From midnight till the morning / Had to crawl before you
walked / Before you ran / Before I knew it / You were trying to free your fingers
from my hand / 'Cause you could it on your own now / Somehow

Slow down / Won't you stay here a minute more / I know you want to walk through
the door / But it's all too fast / Let's make it last a little while / I pointed to the sky
and now you wanna fly / I am your biggest fan / I hope you know I am / But do you
think you can somehow / Slow down

Here's to you / Every missing tooth / Every bedtime story / Here's to Barbie cars,
light saber wars / Sleeping in on Sunday / Had to crawl / Before you walked /
Before you ran / Before I knew it / You were teaching me / The only thing love can /
Hold hands through it / When it's scary, you've got me

Please don't roll your eyes at me / I know I'm embarrassing / But someday you'll
understand / You'll hold a little hand / Ask them if they can ...

I am your biggest fan / I hope you know I am / But do you think you can / Somehow
/ Slow down
