

The Landlord

So, it says here Madonna is reinventing herself again. Hey, did you get that letter from the doctor yet? - I did. What did it say? - My dad's gay. I knew it. Those blood tests don't lie.

(knock, knock)

Who's that?

- It's my landlord, Pearl. I'm really late on my rent.

Oh, I'm getting out of here man. She's nasty.

- No, no, please, I need you to stay. This is going to be ugly.

- Hi Pearl.

Where's the rent?

-You don't have to raise your voice.

You pay now!

-I can give you half.

You pay... ..now, bitch!

- Hey don't talk to me like that, okay.

I'm tired of this crap.

- Look, I...I thought I was clear in my email, that I need a couple of weeks.

I work too hard...

- Can I just get two more weeks?

I want my money.

- You need to relax.

You're an asshole!

Uh-uh!

I want my money, bitch.

- Hey don't call me a bitch. I'm a grown man!

Bitch, bitch, bitch, bitch...

- God you're mean. Don't make fun of me crying.

You'll be evicted.

- I'm not doing so good Pearl.

I put you on the streets.

- Pearl, I'm gonna pay you. I'm working 3 jobs right now. I'm working nights. I'm driving a cab.

- I'm inside with my buddy right now just going over my resume.

I'm gonna smack you.

- Okay, you know what. You need to relax.

I want my money!!

- Look, why do you need your money so fast? C'mon.

I need to get my drink on.

-You scare me. You're an alcoholic.

Can I have 4 beers?

- Seriously, you are an alcoholic. Yeah, you're drunk. I knew it. You're already drunk.

I'm just buzzed.

- You're in no condition to deal with this right now.

I'm taking my beer.

- Just take your beer and get out of here okay.

- Yeah we'll talk tomorrow. This isn't over.

Come, mommy.

- Jesus.
