words that go together

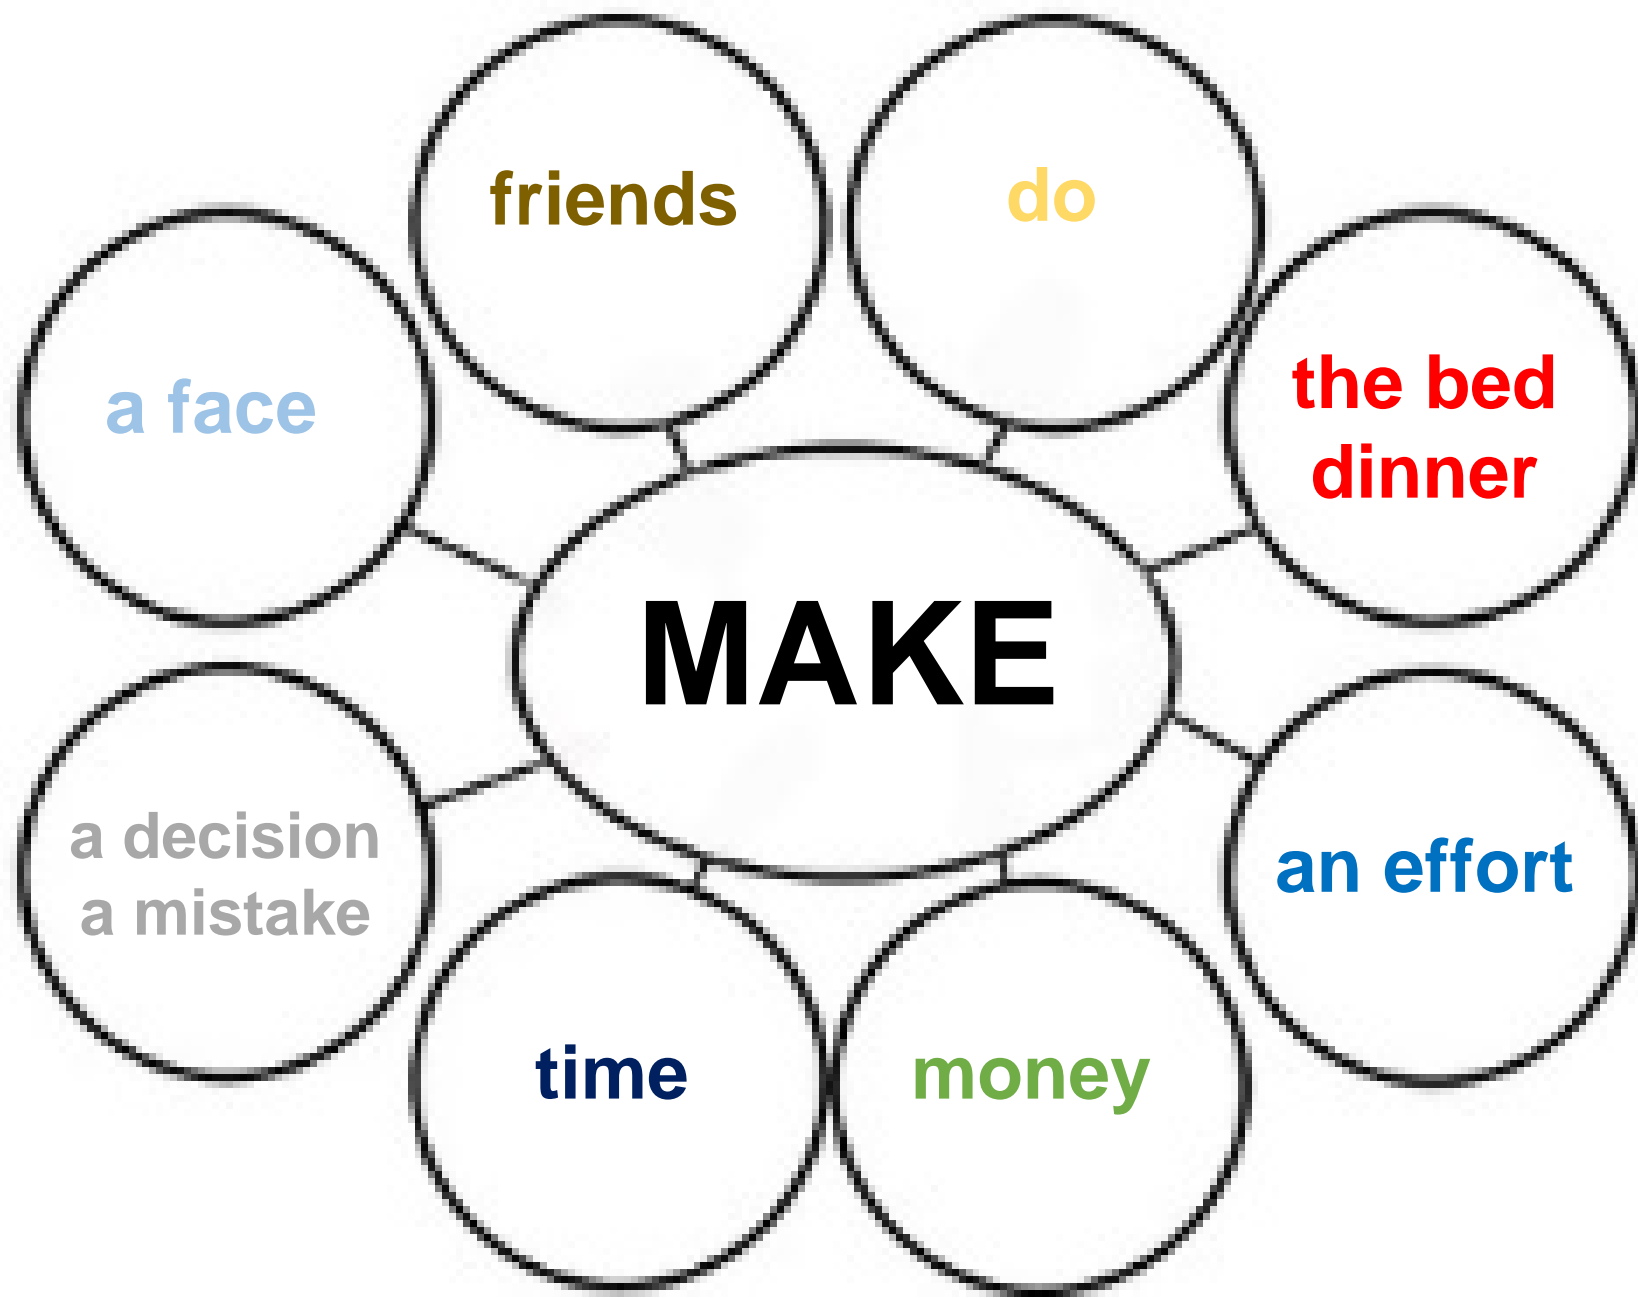

They are important features of English. [Read the NY Times article](#)

How To Use These Exercises

Collocations are a great way to teach vocabulary. These charts and quizzes will help you teach them.

1. Show the chart and ask students to come up with their own examples for each of the phrasal verbs.
2. Show the exercises and ask students to write the sentences with the correct preposition.
3. Take up the answers. Discuss the meanings.
