

LET'S DISCUSS TESTS

1. What was the last test you took? What was good/bad about it?
2. What kind of tests do you like best? Why?
3. What do you think about multiple choice tests?
4. Tell us about a test that really stressed you out?
5. Why are some tests not fair? Or is this true?
6. Do you read the comments from your teacher?
7. Are some students really smart but do bad on tests? Why so?
8. Why do you think teachers and schools give tests?

LET'S DISCUSS TESTS

1. Do you get stressed before a test? How do you deal with it?
2. Which is better, a test or a quiz? Why?
3. How can teachers help students more to prepare for tests?
4. Tell us about a test you really did well on? Why did you do so well?
5. Do your parents give you a hard time about test results?
6. What should happen if a student cheats on a test? What is cheating?
7. Do you think tests are important? Why or why not?
8. Would you agree with students designing their own tests?
