

Baby let's cruise, away from here  
Don't be confused baby, the way is clear  
And if you want it you got it forever  
Just for a one night stand in bed  
Let the music take your mind  
And, just release and you would find

We gonna fly away, plan to go my way  
I love it when we're cruising together

Baby tonight belongs to us  
Everything's right, do what you must  
And inch by inch we get closer and closer oh  
Every little part is in touch  
Oh baby, baby oh  
Let the music take your mind  
Just release and you would find, baby

We gonna fly away, plan to go my way  
I love it when we're cruising together  
Music was made for love, cruising is made for love  
I love it when we're cruising together

Oh oh

Oh baby let's cruise  
Let's flow, let's glide  
Oh let's open up, and go inside  
And if you want it you got it forever  
I can just stay there inside you  
And love you baby, oh  
Let the music take your mind  
Just release and you would find, baby

We gonna fly away, plan to go my way  
I love it when we're cruising together  
Music was made for love, cruising is made for love  
I love it when we're cruising together
