I'LL SEE
YOU
IN MY
DREAMS

The road is long
And seeming without end
Days go on
I remember you my friend
And though you're gone
And my heart's been emptied it seems
I'll see you in my dreams
I got your guitar
Here, by the bed
All your favorite records
And all the books that you read
And though my soul feels like
it's been split at the seams
I'll see you in my dreams
I'll see you in my dreams
When all our summers have come to an end
I'll see you in my dreams
We'll meet and live and laugh again
I'll see you in my dreams
Up around the riverbend
For death is not the end
And I'll see you in my dreams
I'll see you in my dreams
When all our summers have come to an end
I'll see you in my dreams
We'll meet and live and laugh again
I'll see you in my dreams
Yeah up around the riverbend
For death is not the end
And I'll see you in my dreams
I'll see you in my dreams
I'll see you in my dreams

*I'll see you
in my* 
dreams

How did the song make you feel?

How does the singer feel?

Do you believe in "the after life"?

Have you ever lost anyone close to you? What do you remember most about them?
