Look Into My Eyes – by Outlandish (Denmark)

Look into my eyes
Tell me what you see
You don't see a damn thing
'cause you can't relate to me
You're blinded by our differences
My life makes no sense to you
I'm the persecuted one
You're the red, white and _____

Each day you wake in tranquility
No fears to cross your eyes
Each day I wake in gratitude
Thanking God He let me rise
You worry about your _____
And the bills you have to pay
I worry about my vulnerable life
And if I'll survive another day
Your biggest fear is getting a ticket
As you cruise your Cadillac
My fear is that the _____ that has just left
Will turn around and come back

Yet, do you know the truth of where your money goes?
Do you let the media deceive your mind?
Is this a truth nobody, nobody, nobody knows?
Has our world gone all _____?

Yet, do you know the truth of where your money goes?
Do you let the _____ deceive your mind?
Is this a truth nobody, nobody, nobody knows?
Someone tell me ...

Ooohh, let's not cry tonight
I promise you one day it's through
Ohh my brothers, Ohh my sisters
Ooohh, _____ a light for every soul that ain't with us no more
Ohh my brothers, Ohh my sisters

See I've known terror for quite some time
57 years so cruel
Terror breathes the air I breathe
It's the checkpoint on my way to school
Terror is the robbery of my land
And the _____ of my mother
The imprisonment of my innocent father

The bullet in my baby brother
The bulldozers and the tanks
The gases and the guns
The bombs that fall outside my door

Against the ways of my _____s
I'm terrorized in my own land (what)
And I'm the terrorist?

Yet, do you know the truth of where your money goes?
Do you let the media deceive your mind?
Is this a _____ nobody, nobody, nobody knows?

Feed the forces that traumatize my every living day
So if I won't be here _____
It's written in my fate
May the future bring a brighter day

Fire On The Mountain: Asa (Nigeria)

There is fire on the mountain,
and nobody seems to be on the run.
Oh there is fire on the mountain top,
and no one is'ah running.

I wake up in the morning...
tell you what I see on my TV _____ :
I see the blood of an innocent child,
and everybody's watching.

Now, I'm looking out of my _____,
and what do I see ?
I see an army of soldiers that're
marching across the street, heh...

What did they say to make you so blind,
to your conscience and reason ?
Could it be love for your _____,
or for the gun you use in killing ? So...

There is fire on the mountain,
and nobody seems to be on the run.
Oh there is fire on the mountain _____,
and no one is'ah running.

Heh, Mister Loverman !
Can I get a chance to talk _____ ?
'cause you are fooling
with a dead man's corpse,
and you don't know what you do. Oh...

So little Lucy turns sixteen,
and like the movie she's been seeing,
she has a lover in her daddy.
She can't tell nobody...
'till she makes the evening news.

For there is fire on the mountain,
and nobody seems to be on the _____.
Oh there is fire on the mountain top,
and no one is'ah running. Oh yes.

One day the river will _____ flow,
and there'll be nowhere for us to go ;
and we will run, run...
wishing we had put out the fire, oh no...

There is fire on the mountain,
and nobody seems to be on the run.
Oh there is fire on the mountain top,
and no one is'ah running.

I wake up in the morning...

ABC's – K'Naan (Somalia)

Bundle up my whole style is so cold
I glow like old guys who go bald
My flow got no front in the vocal
Your flow got no button its so old

I don't mean to sound like a showboat
But it's true my persona's no joke
I stepped into some kinda portal
I'm legend and sometimes I'm noble

I'm from the most risky zone - oh
No place is more shifty global
More pistols, Russian revolvers
We shootin' all that is normal

But it ain't just because we want to
We ain't got nowhere we can run to
Somebody please press the undo
They only teach us the things that guns do

Chorus
They don't teach us the ABCs
We play on the hard concrete
All we got is life on the streets
All we got is life on the streets
(repeat)

Rock, you know my era
B-boy seasoning, salt -n- pepa
Grown and sexy, come with the extra
Crushed up linen, fly like sess-a
This type brew I gave it birth
Now it's time again to give it a verse

Jamaican born, not a fan of the ganja
_____ Brooklyn to Somalia
And it goes in the background
Playa, that is my sound
The green doesn't symbolize I made it on the top
Pioneer legend, and they call me Mr. Rock

No B word or N word, I don't need
those words (no)
Respect for hers
The game dried up, so we come with
the grease
Leadin' ya right and treatin' ya right,
so peace

Chorus

Superman is known by the locals
As this dude who's so fly it's global
Attitude that came outta struggle
This _____ but I make it hopeful

You real, but my real is tenfold
My real'll make yours a rental
Gangsta if at ease, essential
Fight with guns or utensils

So bold nothin's confidential
Breakfast was not continental
And lunch could not compliment all
We still become competent souls

These streets ain't paved with no gold
Matter fact someone stole the light
bulb
Nobody fat enough for lypo
They don't teach us to read and write,
so...

Walk Away – Reshmonu (Malaysia)

I look into your eyes, and all I see,
is the kind of love,
between the you and me,
no I can't describe the way that I feel,
the way we held our hands
all through the night,
it's so hard to find a girl like you,
cause you're so fine.

and I, love, everything about you,
baby can you see, me,
oh I'm standing here in front of you,
won't leave cause I'm here for you,
and I, need, everything about you,
baby can you see, me,
oh I'm standing here in front of you,
won't leave cause I'm here for you.

chorus:

every time you walk away,
you take, you take, you take
a little piece of my heart away,
there isn't a thing I won't do,
when you walk out that
door leaving me alone.
every time you walk away,
you take, you take, you take
a little piece of my heart away
there isn't a thing I won't do.

every time you walk away,
you take a little piece of my heart away,
I'm a feeling kinda lonely sitting
waiting for you to phone me,
baby want you by my side,
don't wanna hide,
cause love is you, and you my life,
and every time you walk away,
you take a little piece of my heart away.
baby can you see,
that you and I were meant to be,
like the roots that holds the tree,

oh baby, let the roots be you the tree be
me,
ah baby, can you understand,
I will always be your man,
that every time you walk away,
you take a little piece of my heart away.

bridge:

every time you walk away,
baby you take,
you take a little piece of my heart away.
(my heart away)
every time you walk away,
baby you take,
you take a little piece of my heart away.
(my heart away)

verse 2:

girl you know what I'm trying to say,
don't lead me astray,
you're my guiding hope,
that's keeping me afloat,
but still there's so much I need to say,
the way we held our hands,
all through the night,
its so hard to find a girl like you,
cause you're so fine.

and I, love, everything about you,
baby can you see, me,
oh I'm standing here in front of you,
won't leave cause I'm here for you,
and I, need, everything about you,
baby can you see, me,
oh I'm standing here in front of you,
wont leave cause I'm here for you.
chorus

now every time you walk away,
you take a piece of me with you,
oh yes you do,
there isn't a thing that I won't do,

HELPLESS – Stephan Eicher (original - Neil Young) (Switzerland)

There is a town in north Ontario,
With dream comfort _____ to spare,
And in my mind I still need a place to go,
All my changes were _____.

Blue, blue windows behind the stars,
Yellow moon on the rise,
Big birds flying across the _____,
Throwing shadows on our eyes.
Leave us

Helpless, helpless, helpless
Baby can you _____ now?
The chains are locked
and tied across the door,
Baby, sing with me _____.

Blue, blue windows behind the stars,
Yellow moon on the rise,
Big birds flying across the _____,
Throwing shadows on our eyes.
Leave us

Helpless, helpless, helpless.

There is a town in north Ontario,
With dream comfort memory to spare,
And in my mind I still need a place to go,
All my changes were there.

Blue, blue windows behind the stars,
Yellow moon on the rise,
Big birds flying across the sky,
Throwing shadows on our eyes.
Leave us

Helpless, helpless, helpless
Baby can you hear me now?
The chains are locked
and tied across the door,
Baby, sing with me somehow.

Blue, blue windows behind the stars,
Yellow moon on the rise,
Big birds flying across the sky,
Throwing shadows on our eyes.
Leave us

Helpless, helpless, helpless.

AFRICA – Perpetuum Jazzille (originally Toto) (Slovenia)

I hear the drums echoing tonight
But she hears only whispers of some quiet conversation
She's coming in 12:30 flight
The moonlit wings reflect the stars
that guide me towards salvation
I stopped an old man along the way,
Hoping to find some
long forgotten words or ancient melodies
He turned to me as if to say,
Hurry boy, it's waiting there for you

CHORUS:

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never had

The wild dogs cry out in the night
As they grow restless longing for some solitary company
I know that I must do what's right
As sure as Kilimanjaro rises
like Olympus above the Serangetti
I seek to cure what's deep inside,
frightened of this thing that I've become

CHORUS

(Instrumental break)

Hurry boy, she's waiting there for you

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa, I passed some rains down in Africa
I bless the rains down in Africa, I passed some rains down in Africa
I bless the rains down in Africa
Gonna take some time to do the things we never had

This is it boys, this is war
The President is on the line
As ninety-nine red balloons go by

Ninety-nine knights of the air
Riding super high-tech jet _____
Everyone's a super hero
Everyone's a Captain Kirk

With orders to identify,

Scrambling in the summer sky
As ninety-nine red balloons go by
Ninety-nine red balloons go by

Ninety-nine dreams I have had
Every one a red balloon
Now it's all over and I'm standin' _____
In this dust that was a city

If I could find a souvenir
Just to prove the world was here
And here is a red balloon
I think of you and let it go

You and I in a little toy shop
Buy a bag of balloons with the money we've got
Set them free at the break of dawn
'Till one by one they were gone

Back at base bugs in the software
Flash the message "somethings out there"
Floating in the summer sky
99 red balloons go by

99 red balloons
Floating in the summer sky
Panic bells it's red alert
There's something here from somewhere else

The war machine springs to life
Opens up one eager eye
Focusing it on the sky as 99 red balloons go by

99 Decision Street
99 ministers meet
To worry, worry, super scurry
Call the troops out in a hurry

And here is a red balloon
I think of you, and let it go

To be exactly ... to the rich and the greedy
For every year ... I am...

We gonna shut down heaven and earth
That's why I am
I'm calling on, I'm calling on
the whole wide world
On the home I go
Come on people, would you help me?
Let's scream and shout, let's scream and
shout
cause we want peace, and we want peace
And we won't be, who said at least
Come on, everybody come on,
stand up, stand up, stand up
You want peace and I want peace, stand up
You want peace and I want peace, stand up
Come on, everybody come on,
stand up, stand up, stand up
I'm calling on, I'm calling on the whole wide
world
On the home I go
Come on people, would you _____ me?
Let's scream and shout,

Come on, stand up, stand up, stand up,
We want peace, we want peace,
