4 How did the family heat water and cook?

5 Why did her and her mother hide under a heavy blanket?

6 How did the family escape?

7 What happened at the checkpoints they stopped at?

8 What happened to school and Alona's classmates?

Alona - A Story Of War

Watch a video report about Alona who filmed and shared what happened to her during the war. After, share your answers to these questions.

1 What city does Alona live in?

She lives in the port city of Mariupol, Ukraine, on the Black Sea.

2 What grade is Alona in? How old is she (probably)?

She is in the ninth grade. She is probably 13 years old.

3 What did Alona do during the war?

Alona filmed videos showing her life during the war.

4 How did the family heat water and cook?

The family went outside to make a fire in the yard to cook on.

5 Why did her and her mother hide under a heavy blanket?

They hid under a blanket because it protected them from cut glass.

6 How did the family escape?

The family drove out, passing many checkpoints with soldiers.

7 What happened at the checkpoints they stopped at?

Soldiers checked their phones, checked for tatoos, asked for food.

8 What happened to school and Alona's classmates?

Her school was destroyed. Half her classmates escaped. The other half are probably still in Mariupol.
