“Traveler - Luca Aprile”

You're ON a plane to Tokyo
To LA and to places I don't know
And every time you're leaving home
I hate it, _____ I know it's not for long

When you travel down _____ coast
When you look across the shore
When you hear the ocean roar

I'm waiting for your call

When you _____ it to the island Sand
beneath your feet

When you look at the horizon _____ you
think of me?

(Chorus):

You are a traveler

My bed feels cold, oh when you're gone You
are a traveler

You know that I love you when I let you go

You're taking _____ to Mexico

To Paris and I know you long for more I'm
waiting for you _____ night long I
wanna see the pictures on your phone

The sun goes down and the sun comes up I
wake up slow, I wonder _____ you've
gone

You left the ground, oh a while ago
I'm losing every sense of time

Repeat **chorus**

I wanna feel the warmth of your skin

All I want is you here with me

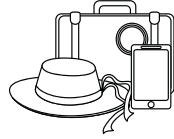

Don't wanna fall asleep on _____ own

My bed feels cold, oh when you're gone

You are a traveler (3x)

Repeat **chorus**
