

ARMS – Christina Perri

I never thought that you would
be the one to hold my _____
But you came around and you
knocked me off the ground
from the start
You put your arms around me
And I believe that it's _____
for you to let me go
You put your arms around me
and I'm home
How many times will let you
me change my mind and turn around
I can't decide if I'll let you
save my life or if I'll _____
I hope that you see right
through my walls
I hope that you catch me,
'cause I'm already falling
I'll never let a love get so _____
You put your arms
around me and I'm home
The world is coming down on me
and I can't find a reason to be loved
I never wanna leave you but
I can't make you bleed if I'm _____
You put your arms around me
And I believe that it's easier
for you to let me go I hope that you see
right through my _____
I hope that you catch me,
'cause I'm already falling
I'll never let a love get so close
You put your arms
around me and I'm home
I tried my best to never
let you in to see the _____
And I've never opened up
I've never truly loved
'Till you put your arms around me
And I believe that it's
easier for you to let me go
I hope that you see right through my walls
I hope that you catch me,
'cause I'm already falling
I'll never let _____ get so close
You put your arms around me and I'm home
You put your arms around me and I'm home

I never thought that you would
be the one to hold my heart
But you came around and you
knocked me off the ground
from the start
You put your arms around me
And I believe that it's easier
for you to let me go
You put your arms around me
and I'm home
How many times will let you
me change my mind and turn around
I can't decide if I'll let you
save my life or if I'll drown
I hope that you see right
through my walls
I hope that you catch me,
'cause I'm already falling
I'll never let a love get so close
You put your arms
around me and I'm home
The world is coming down on me
and I can't find a reason to be loved
I never wanna leave you but
I can't make you bleed if I'm alone
You put your arms around me
And I believe that it's easier
for you to let me go I hope that you see
right through my walls
I hope that you catch me,
'cause I'm already falling
I'll never let a love get so close
You put your arms
around me and I'm home
I tried my best to never
let you in to see the truth
And I've never opened up
I've never truly loved
'Till you put your arms around me
And I believe that it's
easier for you to let me go
I hope that you see right through my walls
I hope that you catch me,
'cause I'm already falling
I'll never let a love get so close
You put your arms around me and I'm home
You put your arms around me and I'm home
