

LET'S DISCUSS CYCLING

1. Do you remember your first bike? How did you learn to ride it?
2. When was the last time you went cycling? Where? How far?
3. Why is cycling a good form of exercise?
4. What kind of bikes can you name? What are the differences?
5. Have you ever watched a cycling race?
6. Why don't more people use bicycles to commute?
7. What's the farthest you've ever ridden a bike?
8. If you had \$2,000 to buy a bike, which one would you buy? Why?
9. Do you consider where you live "bike-friendly"?
10. What are the hand signals bikers must use when cycling?
11. Have you ever had your bike stolen? Or know someone? What happened?
12. What safety equipment should a cyclist wear?
13. Have you ever fallen off a bike? Or had a cycling accident?
14. Do you think the government should require people to have a bicycle license?
15. Are there any bicycle couriers where you live?
16. Do you know how to change a flat bike tire? Explain how.
17. Can you name any famous bike races or famous cyclists?
18. Do you think doping is very common among professional cyclists?
19. How is a bike for a female different? Or does it matter?
20. Do you think electric bikes will "take off" and be popular? Why? Why not?
