EVERYTHING IN ENGLISH LANGUAGE TEACHING

## ABOUT ELT BUZZ

ELT Buzz grew out of the former EFL Classroom, a huge online portal serving teachers from 2005 - 2018.

The changing landscape of how English language teachers interact online led to the creation of ELT Buzz in 2018. We provide teachers with a directory for ELT and updated news and events. Also, a professional lesson library, print and digital. Lastly, a video platform with the best videos for teaching English.

Our LinkedIn community serves 88,000 teachers daily. We also provide individual lesson resources through TpTs.

## OUR MISSION STATEMENT

ELT Buzz aims to provide English language teachers around the world with essential information about the profession and inspiration for their own classroom teaching and professional development.

## TESTIMONIALS

""The resources there are too numerous to mention. Few people have helped more ESL/EFL teachers learn about using technology than David Deubelbeiss, founder of ELT Buzz.""

— **Larry Ferlazzo**, NYT's blogger, High School Teacher, Burbank, California

"I have only just discovered ELT buzz this month, but have already used three of their engaging and often thought-provoking videos in my adult conversation classes. So far I have used short films (e.g., Post It) and adverts (e.g., Think different) to introduce conversation topics and get everyone talking. The lessons have been a huge success and I am very grateful ELT buzz provides such stimulating material. It's my new go-to website as it contains a wealth of resources that spread the joy of language learning."

— **Kirsten Sutton**, Online Teacher, KS Language Consultancy

"ELTBuzz is a fantastic resource for teachers everywhere. It's not difficult to find mediocre materials online; it's harder to locate a storehouse of consistently usable content. David has been a prolific materials developer for years, and this shows in the selection here. He also understands that teachers need friendly and functional interfaces. I love how materials here are so well categorized, easily searchable, and there's a great 'saved folder' function. Keep an eye out for access code promotions! ELTBuzz is a teacher-friendly endeavor rather than some soulless corporate project, so getting teachers involved and inspired is front and center. I love that!"
