

A Song For Thanksgiving 🎵

David Deubelbeiss

It's time for turkey
yum, yum!
It's time for parades
drum drum!

It's time for family
Let's gather 'round.
It's time for friends
Let's paint the town.

Thanksgiving means ...

It's time for thanks
For all we've got.
It's time for gratitude
For all we bought.

It's time for fall colors
And walks and leaves.
It's time for cold weather
And longer sleeves.

It's time for warm drinks
And sweet desserts.
It's time for shopping
Shop 'til it hurts.

It's time for football
Let's watch and watch.
It's getting colder
Let's turn it up a notch.

It's Thanksgiving
A time of harvest joy.
It's Thanksgiving
So let's eat up and enjoy.
